A REPORT ON THE FEEDBACK OF EMPLOYERS (2023-2024)

Emphasizing quality and excellence, Tamil Nadu Teachers Education University performs the quality control measures to uphold quality educational services by initiating the conduct of feedback from various stakeholders (M.Ed., Teachers, Employers and Alumni). Through IQAC. As part of this professional exercises, whenever the outsiders /recruiters visits the University/Colleges for campus interview/providing training session of Job fair. IQAC collects feedback at random from them and they express their views objectively on the employability skills of the students applying for the placement /campus interviews. The placement cells also provide training on communication skills and conduct mock interview and group discussion as part of preparing the students for placement and insists on employability skills development.

The questionnaire includes importance and specific aspects like:

- Course content is relevant and need-based.
- Development of analytical, logical, technical and creative skills
- Activities like internship, field visit and guest /special lectures
- Assignment and seminars.

Tamil Nadu Teachers Education University has always strived to impact quality education. As a measure to sustain quality in all its academic and administrative tasks, the College obtains feedback from the employers before the academic council meeting every year. IQAC conducts an offline feedback session where the questionnaire includes important aspects of the curriculum like the need based importance of the curriculum. Classify the course objectives, the effectiveness of course contents and activities, teaching – learning assessment variety of course etc.,

1. Fifty six (56%) per cent of the employers from the University agreed with the M.Ed curriculum currently offered by Tamil Nadu teachers education university is relevant for employability and forty four (44%) per cent of employers responded as strongly agree with the above statement..

2. Forty four (44%) per cent of the employers strongly agreed and fifty (50%) per cent of them are agreed with the current M.Ed curriculum has application - based courses, which caters the needs
